

TEAM CHARTER

All members of this team agree to:

- respect team members, demonstrate sensitivity, and encourage learning
- work according to the agreed timeframe to research, design and produce a collection in response to the industry-partner brief
- provide contact details and respond to group communications as required
- be fully committed to the task and to agreed individual responsibilities
- attend all meetings (unless *unavoidably* prevented) and work towards agreement, collaboration and problem solving
- give and receive feedback about our work and participate in group discussions
- resolve conflict according to the group's agreed process as soon as it arises
- ensure that all group members contribute equally to the task by addressing problems as they arise
- review and edit the final capstone team's collection boards collectively
